Welcome to 2020!! Time to start fresh with some new goals to make this year full of growth and positivity, as we draw closer to the Lord. We hope you all survived the holidays, and are ready to get back into your daily routines. This year in Relief Society, we are excited to have some amazing lesson topics taken from various General Conference talks that will complement the Come Follow Me lessons focused on the Book of Mormon. Happy New Year to all of you!
